of NORTHWESTERN OHIO

When you're not sure
where to turn.

Drug and Alcohol Addiction Services

We recognize that addiction touches every area of life including work, family and finances. Recovery happens through personalized and comprehensive care provided in a warm, caring and friendly environment. LSS offers this type of quality care for people seeking assistance in their recovery using best practices and evidence-based services.

In response to the devastating impact of the opiate addiction epidemic, we provide support to help persons experiencing addiction rebuild and maintain their lives.

Substance Use Disorder Services Include:

- Adult Intensive Outpatient Group (Fremont)
- Individual Substance Use Counseling
- Adult Non-Intensive Outpatient Group (Fremont)
- Smoking Cessation

All services are provided by licensed counselors.
